Sir,

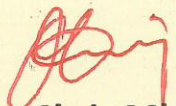

CONDOLENCE MESSAGE

I wish to commiserate with Anyaehie Royal family and the entire people of Nnanano Autonomous Community, Nkwerre L.G.A, over the death of their illustrious son – **Eze Ngozi Anyaehie**.

It was really a rude shock, when I heard about the death of His Royal highness but take solace in the fact that he has transitioned to a higher realm knowing that death is a necessary end that will come when it comes.

May God grant you the fortitude to bear this irreparable loss.

My condolences.
