**CONDOLENCE MESSAGE**

We write to commiserate with you, your immediate family and the entire Autonomous Community of Nkwerre Local Government Area of Imo State on the death of His Royal Highness, Eze Ngozi Anyaehie-Imenyi 1 of Nnana Nkwerre.

Eze Imenyi was an accomplished and respected traditional ruler, a great community mobilizer, a devout Christian, astute businessman, ingenious politician, and philanthropist.

We were quite close socially as neighbours, and in business. We shared many things in common and were there for each other, exchanged experiences and sought each other's advice and assistance in most situations. This relationship extended to our nuclear families. Our friendship was most bosom, a friend like no other, and very brotherly.

The footprints of his days as the Aba Urban Local Government Chairman have remained indelible in the hearts of most Aba residents. He was purposeful and progressive in governance. Aba remembers him with the nostalgia of "good old days" and his development strides have remained unequalled.

His death has created a big vacuum in our lives, in the lives of his family members, the entire community of Umuchukwu Nnanano Autonomous Community, and the Aba Community. He was an accomplished influencer.

May the light he lit amongst us never dim.

We pray God to give us all the fortitude to bear this loss. May His Soul Rest in Peace.  
Amen.
