PRINCESS AMARACHI ANYAEHIE,

CONDOLENCE MESSAGE

It wasn't a good news to hear about your dad's demise. Losing a father isn't an easy shell to crack, it hurts. Your dad was someone who expressed his feelings without prejudice over anything that wasn't right. He will definitely be missed.

My family and I join the entire family and friends to mourn this great loss.

Accept my heartfelt condolences, while I pray that God soothes your hearts with His unending comfort amen.

Hon. Praise Sonate
