Imo State.

....KING'S DEMISE IS A MERE TRANSITION

A CONDOLENCE MESSAGE:

Kings play enviable roles in the sight of God and humanity. Hence the death of a king (Onye Eze) is a mere Transition into Eternity as he returns to his creator with Angelic songs.

The news of the demise of your beloved brother and, the quintessential Traditional Ruler of Umuchukwu Nnanano Autonomous Community, Nkwere L.G.A of Imo State, His Royal Highness, Eze Ngozi Anyaehie, the IMENYI 1 of Nnanano Autonomous Community, was received at my Palace with a great shock and high sense of sympathy. Eze Ngozi Anyaehie while on the throne invested his wealth of wisdom and experience in galvanishing the Culture, Tradition and Antiquities of Ancient Nkwere Kingdom to the satisfaction of all. His wise counsels will be missed, not only by the people of Nnanano Community, but also by the entire Royal Institutions in Igboland. Acknowledging the fact that death is a Destiny for all mortals, I, HIM Eze Dr. T.A Obiefule, MFR, fcei, the Paramount Traditional Ruler of Umudioka Ancient Kingdom, wish to convey my heart-felt condolences, and on behalf of the good people of Umudioka Ancient Kingdom, on this irreparable loss. Indeed, Kings do not "Die," they rather return to their Creator. Accept my condolences.

Signed:

**HIM Eze Dr. T.A. Obiefule, MFR
Fcei, the Okairuro, Okwara Akubueze,
Ezekaibeya of Umudioka Ancient Kingdom Orlu L.G.A.**
