My dear brother,

LETTER OF CONDOLENCE

May I on behalf of my family and the people of Imo West senatorial district commiserate with the Anyaehies on the demise of His Royal Highness Eze Chief Ngozi Anyaehie. His death is not only devastating to the Anyaehie family but to his subjects and associates.

Chief Eze Ngozi was a committed leader of his people, well respected by all and sundry as a result of his amiable character and general disposition to his subjects.

He died as a fulfilled personality, having had a successful career in business, entrepreneurship, politics and philanthropy, to say the least. Eze Anyaehie demonstrated sterling leadership qualities to the best of his ability. He will be particularly remembered for his enormous contributions to humanity and service to God.

I enjoin the family and the loved ones to take solace in the fact that Eze Ngozi made useful impact on the lives of his subjects as his impressionable legacy will stand the test of time.

May God Almighty grant his soul eternal rest in His bosom.

Osita Izunaso
