Eze Ngozi Anyaehie

Imo State.

CONDOLENCE MESSAGE

On behalf of my Royal family, the Imo State Council of Traditional Institution & Community Policing and all the Traditional Rulers in the State, I wish to condole with the immediate royal family of – **HRH Eze Ngozi Anyaehie**.

While alive, His Royal Highness was not only a quintessential Traditional Ruler and astute business man but indeed a charismatic philanthropist whose kind gestures and exemplary rulership/leadership impacted positively in the lives of many both in his community and the State at large.

His death therefore is not only a big loss to his immediate family and community but to the entire state especially the Traditional Institution where, as a member and even the **Chairman of Alternative Dispute Resolution Committee (ADR)** he also made his marks.

However, death is a necessary debt all mortals will pay, having paid his, we cannot question God.

May the good Lord grant you all the grace and fortitude to bear this irreparable loss.

HRM, Eze (Dr.) E.C Okeke, CFR (Eze-Imo)

Chairman, Imo State Council of Traditional Institution &
Community Policing
