

## **TRIBUTE TO A GREAT HERO**

**I feel honored to write this tribute even though words cannot express the shock I had when I heard the news of your demise.**

**Onyeze as I fondly call you, you are a great man indeed. It is with deep pain in my heart that I write this tribute though hard for me to believe that you are no more.**

**You were such a nice and kind hearted man with a warm and welcoming spirit regardless of position and standard.**

**Continue to rest in the Lord's bosom till we meet to part no more.**
