

TRIBUTE TO LATE HIS ROYAL HIGHNESS, EZE NGOZI ANYAEHIE

The news of your death was received with great shock because as you were recuperating from the illness, we, as mortals , were looking forward to you reuniting with your family, but Alas, God, the giver of life, thought otherwise!

Your demise points to the fact that you had fulfilled your life mission. Though your presence leaves a void that none can fill, we take solace in the fact that you have transited to a better place, resting in the bosom of God.

We commiserate with the Anyaehie Royal Family, both immediate and extended, especially, Michi, Nkeiru and Chimdi, your children, our nieces, nephew and grandchildren.

May God in his infinite mercy accept your soul. Rest in peace.
