

**TRIBUTE TO MY DEAR BROTHER, HRH EZE NGOZI ANYAEHIE – IMENYI OF NNANANO NKWERRE AUTONOMOUS COMMUNITY, NKWERRE LGA, IMO STATE**

**It is with a heavy heart, occasioned by grief, that I pen down this tribute in your honour, my brother.**

**I never imagined the painful reality of your transition to glory in the nearest future. You were a faithful and loving brother, who was so kind and generous to a fault, and a rallying point to the good people of Nkwerre, since the 70s till your painful demise.**

**Everyone knows it is a great shock to lose a loved one, a brother at that, till the stark reality stared us in the face!**

**The thought that I won't see you anymore is enough trauma and grief for my soul.**

**Well, there is nothing I can do to bring you back to life, for death is a path every mortal must embark on, someday. However, this tribute will help to immortalize you in my heart.**

**Good-bye my loving brother and friend of all.**

**Kingsley Anyaehie (Brother)**
