

## TRIBUTE TO MY BROTHER

We've been taught that death is nothing more than a temporary period of being separated. So, we are sure to reunite someday. You were our brother and father who taught us some many things. Each of us(your children, brothers, sisters, cousins and well wishers) are a product of your impact and prayers. We are gathered not to mourn but to celebrate the gift of God that you are.

Thank you for not relenting until our souls belong to Christ.

Our hundreds of thousands will continue to honor you.

Rest in God's Perfect Peace Dee Ngozi Anyaehie!

Rest in God's Perfect Peace Enyioha Nkwerre!!

Rest in God's Perfect Peace Eze Imenyi!!!

Till we meet again
