The Family,

Of HRH Eze Ngozi Anyaehie.

### **EXIT OF A ROYAL PATRIARCH**

It is with shock and great dismay that I received the sad news of the unfortunate and painful demise of your father and an impartial king of impeccable repute, HRH Eze Ngozi Anyaehie (Imenyi of Nnanano Nkwerre Aut. Comm.) Whose death had kept me traumatized and deeply sorrowful.

The earthly exit of Eze Imenyi, no doubt must have created a terrible vacuum to the entire kingdom, given by his open door policies, which makes him identify with all Age strata's, he doesn't segregate, neither does he discriminate, he reasons and literally understands with everyone that comes through his path, as he was a role model of absolute simplicity, whose life touched the lives of many.

I know that your late father's demise is a great loss not only to your family but to humanity in general, as exemplary as he was; he inspired men with his high level of resilience, uncompromising integrity, astute diligence, forthrightness, knowledgeable and selfless in various capacities.

Your father was a great achiever, who could optimally analyze a situation with incredible swiftness and accuracy without fear nor favor. As we mourn his transition to eternal glory, let us celebrate the legacies of his fulfilled life.

On behalf of my family, the Nkwerre L.G.A, Executives, Leaders and Members of All Progressive Congress (APC), I wish to use this medium to express our deepest empathy and heartfelt condolences, as we commiserate with the entire Royal family and the good people of Nnanano Nkwerre Autonomous Community, in this period of their grief.

Kindly be rest assured that our prayers are always with your family.

May the gentle soul of HRH Eze Ngozi Anyaehie, (Imenyi of Nnanano Nkwerre) find succor in the shadow of the Eternal Creator, Amen.

Adieu Onye Eze.

Sincerely,

**Hon. Ugochukwu Ibekwe**  
Chairman,
